

# Evan Clevenger

1156 Twin Cove Kyle, TX 78640 (512)- 571-9764

[evanclevenger@gmail.com](mailto:evanclevenger@gmail.com)

Objective: To gain full time employment, and establish a career in the Tech Industry.

## Work Experience:

Longhorn Fire and Safety                      Austin, TX                      June 2020 - Present  
As a fully licensed class B Fire Extinguisher Technician, experience was gained with a variety of small business owners, valuable skills and knowledge in repairing, inspecting and selling every class of portable fire extinguisher. Assisted business owners, construction managers, and management companies to stay in compliance with safety measures and fire codes.

Aqua Brewery                      San Marcos, TX                      August 2018-April 2020  
Beginning duties included dishwashing then shortly moved to line cook. Line Cook duties involved; being able to work under pressure, making sure to have my station stocked up beforehand, working independently with little supervision.

Hays City Store Restaurant                      Driftwood, TX                      January- November 2015  
Initial duties included bussing tables, dishwashing and line cook obligations. As a Busboy and part time Dishwasher some skills that were developed included working around many different kinds of people and learning how to communicate with customers. Additional skills developed include restaurant management and determination needed for maintenance of a small successful business.

## Education:

UT Full Stack Development Bootcamp                      Remote class                      Present- September 2022

Currently attending a Bootcamp to develop in demand tech skills. I made the decision to make a career change because I desire to be a part of the leading edge of technology. The course is over Full Stack Web Development.

Texas A&M University of Corpus Christi                      Corpus Christi, TX                      August – May 2018

Studied Environmental Science for a year. Skills acquired at this university included how to conduct oneself in a professional manner, how to write a well written paper/email, and an understanding of myself and where my future lay.

Skills: Outgoing personality  
Ability to communicate with and lead others  
Positive and Productive teammate  
Logical thinker  
Ability to maintain focus under pressure
